

FOR IMMEDIATE RELEASE

Aleksander Soriano Promoted to Account Manager at RT Specialty

Hamilton, New Jersey (September 22, 2021) – Aleksander Soriano has been promoted to account manager within the Environmental and Construction Professional (ECP) Practice of RT Specialty. Since joining the company in 2019, Soriano has supported the practice’s production teams by creating sales proposals, developing coverage assessments and performing various account management tasks.

“Over the past two years, Alek has repeatedly embodied RT Specialty's goal to *out-think, out-work and out-execute* the competition,” says Tim Prosser, a senior consultant at RT ECP. “Always looking to advance his understanding of the risk management solutions available to clients, Alek’s responsiveness and communication skills have not only helped to strengthen our relationships with retail brokers nationwide, but also bolster our position as an industry leading specialty intermediary of environmental and construction-related professional liability insurance coverages.”

Prior to joining RT ECP, Soriano served as an earnings estimates data analyst at Bloomberg LP and qualified marketing associate at the Martin Insurance Group.

A resident of Cape May, New Jersey, Soriano holds a Bachelor of Science in Business Administration from The College of New Jersey, where he was the vice president of recruitment for the institution’s Inter Fraternal Council and a former sponsorship chair & judiciary board member of the Phi Alpha Delta fraternity. Soriano is working towards his Associate in Risk Management (ARM) designation.

Soriano is based at RT’s Hamilton, NJ offices and can be reached at 609-528-3893 or aleksander.soriano@rtspecialty.com.
