

AUGUST 2025

# The Scoop!

A collection of notable articles from across the industry.

## IN THE SPOTLIGHT

Could you spot an imposter? Scammers use deepfake video and audio to impersonate corporate executives, and they caused more than \$200 million in losses in Q1 of 2025.

[Learn more](#)

## Cyber Insurance

Could your supply chain leave you vulnerable to cyberattacks? Cyber risk concern has risen, and 79% of firms want to improve their cybersecurity with third-party suppliers.

[Learn more](#)

## Employment Practices Liability

Summer brings interns, happy hour celebrations, offsite events... and increased employment practices liability exposures.

[Learn more](#)

Has your company been using AI for employment screening and hiring? This is one example of the many emerging employment practices risks involving new tech and new regs.

[Learn more](#)

## Artificial Intelligence

Does your insurance cover AI-related risks? Exclusions are becoming more common in D&O, E&O, EPLI and other management liability policies.

[Learn more](#)

## Errors and Omissions

With antitrust and class-action lawsuits targeting real estate agency commissions, the professional liability risk landscape has changed. Has your coverage kept up?

[Learn more](#)

Consumer-facing companies are seeing more false advertising allegations, and many lack the insurance coverage they need to cover claims.

[Learn more](#)

## Directors and Officers Insurance

Are you using CF and RegA crowdfunding options? More and more businesses are, and they could be exposed to increased SEC scrutiny.

[Learn more](#)

## Litigation Funding

What's the financial impact of third-party litigation funding? One estimate says casualty insurers could pay \$25 billion to funders over a five-year period.

[Learn more](#)

## Fiduciary

Think ERISA risk management mostly revolves around excess fee litigation? That used to be true, but new allegations have emerged in recent years.
