Jigesh Shah is an experienced insurance professional with more than 10 years in the industry. Since joining RT Specialty in 2021, he has focused on private and not-for-profit management liability lines, as well as specialized programs for condominium HOA's and government officials D&O policies.

Before moving into brokerage, Jigesh worked as an underwriter at Intact Insurance and Chubb, giving him a strong understanding of underwriting strategies and risk assessment. This background allows him to build effective solutions for complex risks and maintain strong relationships with key underwriters.

He earned his bachelor's degree in business administration from York College of Pennsylvania and an MBA from Southern Connecticut State University.

Outside of work, Jigesh values time with his family and enjoys watching baseball and football games. He is also active in his community, serving on the Board of Directors for the Water Pollution Control Authority for this town and organizing food drives for his community throughout the year.
