Cricket is a key member of RT ProExec's Transactional Liability Practice. Cricket specializes in managing, negotiating and structuring Representations & Warranty Insurance to help facilitate a smooth transaction.

Prior to joining RT ProExec, Cricket was a Senior Director at Nickelodeon with more than 10 years of operational experience in brand management and production. While at Nickelodeon, Cricket was responsible for implementing brand strategy and operational integration to ensure performance against corporate goals.

Cricket is a graduate of the University of Virginia with B.A. in Art History. In her personal time, Cricket enjoys traveling, movies, live music and museums. She is also an avid reader.
