Matt is a Vice President in The OakBridge Team within RT ProExec specializing in the placement of Cyber, Professional and Media Liability insurance products. Matt joined RT Specialty in 2010. Prior to RT Specialty, Matt spent 8 years in the insurance industry with Carpenter Moore Insurance Services, The NASDAQ Stock Market and Oakbridge Insurance Services. Throughout his entire career, Matt has concentrated on the placement of professional liability insurance and cyber for organizations across a wide range of industries.

Matt's strength is his long-term relationships and experience with key underwriters and carriers in the cyber and professional liability market, which he

uses to provide the competitive results for clients. Prior to entering the insurance industry, he was a Specialist Assistant on the Equities floor of the Pacific Stock Exchange in both San Francisco and Los Angeles. Matt is a graduate of San Francisco State University.

In his personal time, Matt enjoys playing golf and being with family. With 2 children, he is heavily involved with their activities and has been coaching his son's basketball teams.
