Peter is a Broker and Vice President on The OakBridge Team within RT ProExec. Peter joined RT Specialty in 2019, where he specializes in management liability insurance. Prior to that, he spent more than eight years at Chubb in various underwriting roles, gaining extensive experience across a range of management and professional liability products.

Over the course of his career, Peter has worked with a wide range of insureds including publicly traded, privately held and not-for-profit organizations across a diverse range of industries including healthcare, financial institutions and wide variety of commercial industries. Additionally, he has strong experience in several ancillary products including employment practices liability, fiduciary liability, crime, intellectual property, managed care errors and omissions insurance, and other related products.

Peter brings a deep commitment to mastering the technical aspects of all the insurance products he works with. He focuses on understanding his clients' needs, and facilitating strong, strategic relationships between his clients and insurers. With extensive industry experience, Peter has cultivated long-standing relationships with key underwriters in the management and professional liability space—connections he leverages to deliver exceptional outcomes for his clients.

Outside of work, Peter enjoys quality time with his family, often attending his children's sporting events or exploring the outdoors. He is also passionate about golf, skiing, and other outdoor activities.
